

Dear Colleagues,

International Bar Association – Argentina-Brazil Bilateral Meeting – Buenos Aires, 13 April 2007

As many of you are probably aware of, the International Bar Association decided in its 2005 Prague Annual Conference to promote bilateral meetings between leading lawyers of different countries with the aim of strengthening relationships in their region.

Organized by the IBA's Latin American Forum, a very successful meeting between Chilean and Argentine lawyers took place last May in Santiago. Over 170 senior partners of the leading Chilean and Argentinean firms gathered in one of the most relevant meetings between lawyers of those countries.

Following such event, the IBA's Latin American Forum, CESA and the Brazilian and Argentine Organizing Committees have the pleasure of inviting you to participate in the first meeting of Brazilian and Argentinean lawyers, which will take place on 13 April 2007 at the Caesar Park Hotel in Buenos Aires.

The purpose of this one day event is to provide Brazilian and Argentinean most prominent lawyers with the opportunity of increasing mutual knowledge and discussing issues of professional interest in a relaxed and friendly environment. We are also hereby inviting some leading Uruguayan and Paraguayan lawyers to participate in the event as special guests.

Our aim is to ensure attendance of approximately 200 senior partners of those countries' firms. The meeting will be open to members and non-members of the IBA. Due to the proximity of the 2008 Buenos Aires Annual Conference we also expect that this event serves as an opportunity for non-members to get more familiar with the IBA and eventually join the association.

Due to the limited places available and undertakings already assumed by the organizing committee, we would appreciate that you confirm your participation in the event by filling up the forms attached and return them to the people indicated in each form before 28 February 2007.

We would appreciate if you could forward this invitation to other senior partners of your firm.

We look forward meeting you in Buenos Aires.

Truly yours,

Antonio Corrêa Meyer
Brazilian Host Committee
